

Dear Junior Hurricane Families:

We are excited to announce the opening of tryout registration for the 2026-27 season, beginning with our Tier 1 AAA tryouts. Some significant changes from previous years have been designed to improve our evaluation and selection process and help our coaches better evaluate each player interested in Junior Canes AAA hockey.

14UAAA, 16UAAA, 19UAAA Girls

16U and 19U - April 11-12

14U - April 17-19

Tryouts will follow our traditional process with scrimmages and small-area games.

The tryout fee is \$125, and registration is now open and can be accessed here:

11U through 18U AAA Co-Ed

AAA Open Tryout

These weeknight skates are open to any player interested in Junior Canes AAA hockey. To keep numbers manageable, select players may receive a bye from these sessions and be invited directly to the Invite-Only Tryout weekend.

This will allow coaches to evaluate the players attending these sessions better and will also present an opportunity for these players to get more time on the ice and puck touches during the tryout sessions.

All players will skate for both scheduled sessions and will receive one of two invitations at the conclusion of the 2nd skate (18U will only have one skate):

1. Players identified as potential AAA prospects will be invited to the Invite-Only Tryout over Tier I weekend from April 17th to 19th, where rosters will be finalized.
2. Players evaluated as Tier II prospects will receive a credit of \$45 towards Tier II tryouts on May 1-3.
3. **ONLY FOR OUT-STATE PLAYERS:** Out-of-state players who cannot attend the open tryouts in person may submit a video by April 1st to be considered for the Invite tryouts. For out-of-state players sending videos, please do so before registering. We will evaluate the video and confirm whether or not we offer the Invite tryout registration or Tier II tryout. Please submit videos by April 1.

The tryout fee is \$175, registration is now open and can be accessed here:
